

This guide lists all currently available ultrasound examinations offered by UltraStat Imaging. All pricing reflects cash-pay rates. Mobile pricing applies to qualifying on-site visits. CPT codes are provided for reference only; coding is the responsibility of the ordering provider.

PLEASE NOTE: Patient preparations are designed to facilitate the capture of the best images possible for the physician interpreting the images. The exams listed below require a prep. If patients are not prepped, exams may need to be rescheduled.

Abdominal Ultrasound (Limited)	76705	\$190	\$240	30 min	6-hour fast required
Pelvic Ultrasound (Complete)	76856	\$245	\$295	30 min	Full bladder — drink 32 oz water 1 hr before
Renal Ultrasound	76775	\$200	\$250	30 min	6-hour fast required
Renal and Bladder Ultrasound	76770	\$225	\$275	30 min	Full bladder; do NOT void before arrival
Bladder Ultrasound (Limited)	76775	\$160	\$210	20 min	Full bladder — drink 32 oz water 1 hr before
Thyroid / Neck Ultrasound	76536	\$199	\$249	30 min	No preparation required
Scrotal Ultrasound	76870	\$199	N/A	30 min	No preparation required
Soft Tissue / Extremity Ultrasound	76881	\$199	\$249	30 min	No preparation required
Complete Abdominal Doppler	93975	\$275	\$325	45 min	6-hour fast required
Retroperitoneal Ultrasound	76770	\$199	\$249	30 min	6-hour fast required
Complete Scrotal Doppler	93975	\$250	N/A	45 min	No preparation required

Vascular — Venous Doppler					
Examination	CPT Code	In-Office	Mobile	Duration	Patient Preparation
Upper Extremity Venous Doppler (Unilateral)	93971	\$230	\$280	30 min	No preparation required
Upper Extremity Venous Doppler (Bilateral)	93970	\$300	\$350	45 min	No preparation required
Lower Extremity Venous Doppler (Unilateral)	93971	\$230	\$280	30 min	No preparation required
Lower Extremity Venous Doppler (Bilateral)	93970	\$300	\$350	45 min	No preparation required

Vascular — Arterial Doppler					
Examination	CPT Code	In-Office	Mobile	Duration	Patient Preparation
Upper Extremity Arterial Doppler (Unilateral)	93931	\$250	\$300	30 min	No preparation required
Upper Extremity Arterial Doppler (Bilateral)	93930	\$330	\$380	45 min	No preparation required
Lower Extremity Arterial Doppler (Unilateral)	93926	\$250	\$300	30 min	No preparation required
Lower Extremity Arterial Doppler (Bilateral)	93925	\$330	\$380	45 min	No preparation required

Carotid Doppler Ultrasound	93880	\$325	\$375	45 min	No preparation required
Abdominal Aortic Aneurysm (AAA) Diagnostic	93978	\$225	\$275	30 min	6-hour fast preferred

Preventive Screenings

Examination	CPT Code	In-Office	Mobile	Duration	Patient Preparation
AAA Screening	76706	\$150	\$200	20 min	No preparation required
Carotid Artery Screening (Limited)	93880	\$199	\$248	20 min	No preparation required
Peripheral Artery Disease (PAD) Screening	93926	\$199	\$248	20 min	No preparation required
Pelvic Ultrasound (Complete) Transabdominal	76857	\$199	\$248	30 min	Full bladder — drink 32 oz water 1 hr before

OB / Prenatal Imaging

Examination	CPT Code	In-Office	Mobile	Duration	Patient Preparation
Early Pregnancy / Confirmation Scan	76801	\$200	\$250	30 min	Full bladder — drink 32 oz water 1 hr before
Dating Ultrasound	76801	\$225	\$275	30 min	Full bladder — drink 32 oz water 1 hr before
Growth / Follow-Up Scan	76816	\$250	\$300	45 min	No special preparation required
OB Limited Scan	76815	\$150	\$200	20 min	Varies — confirm with scheduler
Biophysical Profile (BPP)	76818	\$225	\$275	45 min	No special preparation required
